(A representative photo of yourself/yourselves)

Hi!

We are two friends at the age of 20 and 21, and we are both going to study in Bergen this fall. We met at the Red Cross Summer School in Toronto this summer, and we do now wish to find rooms in the same shared apartment. We are both non-smokers. As reliable students we promise to take good care of the apartment and to pay the rent on time.

### Monica

I am a sociable girl born and raised in Lyon, France. I study economy at the University of Lyon. I have been accepted as an exchange student at NHH for the autumn 2010.

I am devoted to my studies and my part-time job at Le Restaurant Lyon. I spend my spare time reading novels, playing volleyball and volunteering at the local homeless shelter.

As the leader of Student Red Cross Firenze, I have learned a lot about responsibility and respect. In addition to this, I like to play football and computer games.
